LUGGAGE

Luggage tags will be delivered tomorrow to your stateroom to assist you in locating your luggage in the Port Canaveral Terminal. Please write your stateroom number, name, address and number of bags on these tags (e.g. 1 of 2). Remove any old airline or Disney Cruise Line tags. Attach the new tags to your luggage and place it outside your stateroom tomorrow between 8:30 p.m. and 10:30 p.m. for complimentary delivery to the ship's terminal. Any luggage not placed outside the stateroom by 10:30 p.m. must be hand carried by the guest when disembarking the ship. We suggest that you pack all valuables such as cash, negotiable securities or other financial instruments, gold, silver, jewelry, ornaments, works of art/video/audio equipment or supplies, laptop computers, cellular phones, breakables, medicines or other valuables in your carry on bag to be kept with you throughout your journey. Your belongings will be stored and conveniently located in colored zones, according to stateroom number, for easy recognition in the port terminal. Once you locate your luggage, porters will be available to assist you as you proceed through U.S. Customs and Border Protection. The Transportation Security Administration suggests that all passengers, flying through U.S. airports, unlock all checked baggage. Baggage may be searched at any time and locks may be broken if a physical inspection is required (This will be addressed by airline personnel when accepting Guest luggage). They also suggest removing all unprocessed film and cameras with undeveloped film from your luggage. It is very important that you do not pack any of your citizenship documentation. You will need to present the passport or birth certificate for each member of your family to Customs and Border Protection as you disembark the ship. You will also need your completed and signed U.S. Customs Declaration Form. You will not have access to your luggage until you reach your home destination, so please remember to leave out items you will need in the morning. Don't forget to pack all liquids and gels that exceed the FAA regulations.

In accordance with Federal law, NO fresh fruits, vegetables, plant materials or meats of animal products may be brought back into the United States. Heavy fines may be imposed on guests found with these items.

Green Palm handicrafts are discouraged for possible red mite infestation.

Again, it is very important that you do not pack any of your citizenship documentation. You will need to present a passport or birth certificate for each family member to U.S. Customs and Border Protection as you disembark the ship. You will also need your completed and signed U.S. Customs and Declaration Form.

Those Guests flying out of Orlando or any neighboring airport the TSA allowance is that all alcohol must be packed in your checked luggage. The U.S. Department of Homeland Security now requires that liquids (beverages, shampoo, sun tan lotions, creams, toothpaste, hair gel, perfumes or alcohol) must be excluded from Guests hand luggage and must be hand packed in checked luggage.

U.S. CUSTOMS AND BORDER PROTECTION

After Collecting your luggage, all Guests (U.S. and Non-U.S.) in your party must present themselves for inspection with U.S. Customs and Border Protection. Guests are required to have proof of citizenship and a U.S. Customs Declaration form (one per household) in hand, ready for inspection. To expedite the passport control process, please have the head of the household present all family documentation and the U.S. Customs Declaration form together to the U.S. Customs and Border Protection Officer.

Non U.S. Guests, entering under the Visa Waiver Program, must present their passports and the ESTA approval form.

Non U.S. Guests with Travel Visas must present their passports and the completed white I-94.
